

# Wausau R/C Sportsmen

AMA Charter #671    Founded 1966  
<http://www.WausauRCSportsmen.org>

## Application for Membership

Wausau R/C Sportsmen invite you to join our club. We are model aircraft flyers, young and old, flying airplanes ranging from sport aircraft to scale models, from WWI airplanes to modern-day jets. Our club members have experience in building and flying nearly every type of model aircraft.

For the beginner modeler, we offer help selecting, building and flying your newest creation. The training received during those first flights will have you flying with confidence sooner and with less expense.

Wausau R/C Sportsmen are concerned with safety. That is why our club follows the guidelines set forth by the Academy of Model Aeronautics (AMA), the USA authorized organization in the international flying community. Every flying member of our club is required to belong to the AMA. Membership in the AMA provides flying insurance and a monthly Model Aviation magazine. AMA is the modelers' voice to government agencies. With a membership of over 160,000 they protect our privilege to fly across America.

The Marathon County Park Department provides our club with a flying site located 3 miles west of Wausau on 72nd Avenue in Sunnyvale Park. The field features both a short grass and a blacktop runway with surrounding airspace of approximately 30 acres. Our monthly meetings are scheduled the 2nd Tuesday of each month at 7:00 p.m. at the Wausau Municipal Airport main building. During the summer months of June, July, and August, the meetings are at 6:00 at Sunnyvale RC Park.

We invite you to join in the fun and start flying with us.
